coast east medium-sized north River south west

Hi Claire,

Sorry, I'm going to be away when you visit, but I hope you and the family have a great weekend here in Winchester. Here are a few ideas and a [link](#) to a map.

The cathedral is our main tourist attraction; it's in the <sup>1</sup>south of the city, and it's really lovely. There's a good museum near there, too. There are some other great places to see in the <sup>2</sup> of the city, like the Law Courts and the Great Hall. In the evening, you can usually see something at the Theatre Royal, which is in the <sup>3</sup> of the city, near the Discovery Centre. Your hotel is in the <sup>4</sup> of the city, near Durrigate Place. It's a quiet area, and the hotel has a good view of the <sup>5</sup> Itchen. It's a <sup>6</sup> hotel, with about 50 rooms.

I don't know if you want to go to the beach, but it's very easy. The <sup>7</sup> is only about 20 minutes by train.

Have a great time!

Sarah
